About MCFE

The MCFE philosophy

Melbourne College of Further Education (MCFE) is a small and trusted RTO with over 20 years' experience in training, supporting and inspiring students to succeed in their chosen pathway. We believe in real skills for real jobs, we take the extra time to customise our course materials and create new and innovative ways of delivering course content.

As a Registered Training Organisation [RTO] qualifications completed with MCFE are recognised nationally. Qualifications achieved through the Australian VET system are also very highly regarded internationally. Our mission is to provide pathways into industry to contribute to a successful, skilled and innovative workforce.

MCFE offers high quality training both face to face and via a blended online model, offering students options to undertake our courses in a way that best suits their lifestyle.

Our trainers are dedicated and highly qualified with extensive practical industry experience and committed to providing quality outcomes to our students and ensuring that all training is both engaging and enjoyable.

Our student support team are extremely passionate and committed to helping students succeed. They are always on hand to help with any questions and provide students with the support they may need to complete the course, especially if circumstances change.

CHC50121 Diploma of Early Childhood

Education and Care

Course overview

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations.

Our course is designed to train students in advanced skills like leadership, health and safety management, developing curriculum and implementing programs for children including those with additional needs. Crucially you'll learn how to ensure a facility follows the regulations of the National Quality Framework. This course has an ideal balance of theory and practical skills to help you build the confidence required to advance in the workplace.

Job outcomes include; Educational leader, family day care coordinator, centre manager, supervisor

Duration delivery & assessment

12 months average duration

- 29 x 5-hour Theory Sessions
 - Classroom-based, or teams online sessions,
- 2 x Assessor visits in the workplace

Assessments include; written and oral questions, projects and observations of skills

Recommended 15 hours of self-paced learning per week

280 hours of work placement at a regulated education and care service in Australia

Entry requirements

- Entry to this qualification is open to individuals who hold a CHC30121 Certificate III in Early Childhood Education and Care or CHC30113 Certificate III in Early Childhood Education and Care.
- The ability to travel to and from your placement – these shifts can include early starts
- Access to a computer or laptop and the internet to complete your studies.
- Digital skills.
- Obtain a Working With Children Check (WWCC) prior to commencing your placement
- The required Language, Literacy and Numeracy skills to complete a Diploma level course. This will be assessed in your pre-training review during enrolment

Without these skills or knowledge you will be unable to complete this course. If you have further questions about these requirements please don't hesitate to contact us.

*This training is delivered with Victorian and Commonwealth Government funding. The course fees depend upon eligibility for a government subsidy, via the Skills First funding program. Please visit our website for a complete list of fees and charges.

Please be aware that using a funded place can affect access to future funding.

Payment links are available on our website and will be sent in an email with your invoice.

Digital Resources & Digital Skills

All learning content and assessments are on Canvas our Learning Management System (LMS) for this course.

When enrolling in this course you must have access to a laptop or desktop computer and the internet. If you are undertaking blended training you will need access to a device with a camera and microphone.

You will need to be able to; navigate the internet easily, use search engines for research, store passwords, file management, use word processing software, complete typed assessments online, and regularly correspond with your trainer online and via email.

Recognition of Prior Learning (RPL) and Credit Transfer (CT)

You can ask for your relevant existing skills, qualifications and experiences to be assessed and taken into account when your level of competency is being evaluated. There will be a cost associated, refer to the statement of fees and charges. If you have previously completed a unit with the same code in your new course, you will be eligible for a credit transfer and you will not have to repeat that unit. There is no cost associated with this process.

Traineeship

Traineeships combine training and employment, leading to skills and qualifications that are recognised across Australia. If you and your employer are interested in further information please contact our head office.

Support

How do we support our students?

If you need support with progress throughout your course (including finding a placement) or other personal issues, we have a student services officer who can help or direct you to the most appropriate.

Trainers / Assessors

Trainers are available for questions and additional help offered at the end of class. Assessments submitted will be marked by the trainer according to the marking guidelines. Your trainer will provide feedback on your assessments at your next session or, if face to face classes have finished, via phone call or email.

Dedicated Placement Coordinator

Our Placement Coordinator, will work closely with you to offer assistance in finding placement, if required. Whilst we cannot promise to find you placement, we pride ourselves on offering as much support as possible with this process.

Student support bookings

Students can request to repeat a classroom session with another class at no cost and MCFE offers open reflection classes run by trainers at each location. MCFE can offer support to students who need additional language, literacy or numeracy support. These services can vary depending on individual student requirements. One-on-one sessions are available with your direct trainer if extra assistance is required, these can incur a fee.

Administration team

The administration team located at our Head Office are available from Monday – Friday from 9:00am – 4:00pm (public holiday excluded) for any queries you may have in relation to their class or course. The team are always willing to assist as much as we can.

Student journey

Come with Jane on her journey through Melbourne College of Further Education

Jane's pathway

Jane has decided she would like to further her career in early childhood. She would like to complete the Diploma of Early Childhood Education and Care and go on to become an educational leader. Melbourne College of Further Education has a clear path to guide her on this journey.

Enrol & start learning

Jane attends an information session and enrolls into a Diploma of Early Childhood Education and Care at MCFE and begins studying.

Placement & extra qualifications

Jane starts placement whilst studying, so she can have most of her hours completed when the theory classes finish. Jane also decides she wants some extra qualifications to boost her resume. She enrolls in some additional courses at MCFE:

- BSBSS00095 Infection Control Skill Set

Complete diploma

Jane finishes her qualification with MCFE and is now qualified for a number of roles.

Join the industry

Jane joins the industry and begins work. She has flexibility in her career choices and could also look at other jobs such as:

- Centre manager
- Educational leader
- Family day care coordinator
- Supervisor

Information sessions

Our information sessions are a fantastic opportunity to learn everything you need to know about this course.

Varying enrolment times run online weekly, from Monday to Thursday with our Enrolment Officers.

You can book an information session by calling us at 1300 368 883 or online at www.mcfe.com.au/information

Unique Student Identifier (USI)

A USI is your individual education number for life. It also gives you an online record of your VET training undertaken in Australia. If you're at university, TAFE or nationally recognised training, you need a USI. Without one, you can't get Commonwealth financial assistance or your qualification or statement of attainment.

If you do not currently a USI you can visit the following website and follow the prompts to obtain one.

<https://www.usi.gov.au/students/get-a-usi>

Further Student Information

View our student handbook on our website for information about; your rights & obligations, fees, payment terms, cancellations, refunds, complaints, support services and much more.

Information relating to fees, charges, payment plans and skills first funding is also available on the website under the student information tab.
